

## **Eric A. Daniels**

*Eric Daniels serves as an External Affairs and Public Policy manager for PG&E, covering the areas of Santa Barbara County, San Luis Obispo County, Monterey County, and San Benito County. This includes supporting PG&E's government relations and public outreach efforts, and monitoring California energy issues.*

*Daniels is a Monterey County native, having grown up amongst the pioneering ranching families east of King City. He attended Sacramento State University and has worked in the California State Legislature and the US Congress. He spent several years in Sacramento as chief lobbyist for a space industry nonprofit advocating for California space enterprise and supporting space companies throughout the state.*
